The Add-A-Link club met last Thursday at the Jay Lyle home. It was in the nature of a Husband's Day and it turned out true to name. Marie Cuddeback furnished a brand new groom—named Snyder. Everything turned out fine even the chicken pies and the rest of the "eats." The program was well rendered and appropriate for the occasion. One song deserves special mention, one rendered by Messrs. Sherwood, Hinkley, Toney and Kaye. These noble husbands seemed to lean upon each other, depend on each other, sing for each other. For while one sang high notes, another would suddenly drop to the lowest notes ever reached by human voice. Each one did his part and more. When Alma Gluck heard of these efforts and their success before the public she at once cancelled her engagement at Kalamazoo for Friday night indefinitely. All husbands were presented with carnations. "Twas a good time and "Husband Day" will be repeated. In behalf of the club Mrs. Marie Cuddeback Snyder was presented with a linen tablecloth.

Each one coming is expected to bring a gift neatly tied which will be auctioned off. Gifts not to exceed 25 cents and not less than 10 cents. Bring the children. There will be a Christmas tree and candy for them. The usual Pot Luck supper and a good time is assured all.

At a recent business meeting of the Gleaners it was voted the secretary should not notify members when assessments were due. When assessments were sent to her if they wished a receipt to enclose postage for same.

DECIDE YOURSELF.

The opportunity is here, backed by Paw Paw testimony. Don't take our word for it. Don't depend on a stranger's statement. Read Paw Paw endorsement. Read the statement of Paw Paw citizens. And decide for yourself. Here is one case of it.

WHAT PIE FOR CHRISTMAS?

Who ever heard of a real Christmas dinner without mince pie?

It can't be done. There may be cakes and cookies and puddings and all kinds of sweet things but unless there is mince pie there just isn't any real Christmas dinner.

And since it takes mince pie to top off the feast dinner, wouldn't it be a good idea to have mince pie to top off many of the other good meals? Wouldn't it just make the meal on many occasions?

As you probably know, NONE SUCH MINCE MEAT comes in an up-to-date package form—secure from handling; is moderate in price and becomes three times the package weight when you add the necessary moisture.

It is the economical way to buy mince meat because it prevents waste. The package recipes are good for pies, cakes, puddings, and cookies.

Try a NONE SUCH WAR PIE—no top crust. Saves flour, shortening, labor, money—half the crust. Helps the U. S. Food Administration.

The pie that is good enough for Christmas dinner is good enough for other meals—breakfasts, lunches, suppers, and in the dinner pail. Try it with NONE SUCH MINCE MEAT.

E. H. Colby, manager of the Michigan Creamery Co., St. Joseph St., Paw Paw says: "My kidneys were out of fix and I had dull backaches and was sore and lame, especially in the morning. My kidneys acted irregularly so I bought Doan's Kidney Pills from Longwell Bros. Drug store. They soon put my back and kidneys in good condition." Price 60 cents at all dealers—Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Colby had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
